Become a Friend of Bath Place Community Venture

Bath Place Community Venture is a charity located at the heart of the South Leamington community since 1974. Our aim is to enable local people to gain access to facilities, support, information and education. We seek to empower people who, because of poverty and/or prejudice, are denied participation and power elsewhere.

Following the devastating fire in 2009 at the original *Bath Place*, our home has been within the beautiful and inspiring Old Library building. This building provides extensive facilities for all the activities on offer, but as you can imagine an old building like this has significant running costs.

As a **Friend** of Bath Place Community Venture, your contribution is invaluable in helping us to continue to offer services and facilities to those disadvantage and marginalised people within our community, as well as ensuring we bring together the many different sections of our wider community.
